

## Notice of Gallery Relocation

Dear Sir or Madam, In the early autumn season  
we are pleased to inform you that we will be relocating to a new location.

As we celebrate the 15th year since the establishment of Nakacho Konishi,  
We will be relocating from Ginza to nearby Nihonbashi, Tokyo.  
Due to the time required for interior construction, we will not be open for  
business at the new Nihonbashi gallery until November.  
We will inform you of the new location as soon as possible.

We would like to urgently inform you that the current Ginza store will close  
on September 12 this month.

Please feel free to contact us anytime you need us, as always.  
Thank you for your continued patronage.
